

1379A Cranford rd.
Denton N.C. 27239

Important!!

Reuse Existing Gaskets During Install

Hose ports are 1/4" NPT and cannot be plugged . If not installing an oil cooler , a line must be looped between the 2 ports . Gauge port is 3/8" NPT . Install adapter with drain hole at the bottom for proper drainage .

Remote Filter Line Routing
Incorrect line routing can lead to engine damage !!
